Westside Thanksgiving Community Dinner and Celebration

Since 1982, the Westside Community has served the homeless, low income families, seniors, students and anyone alone for the holiday, a wonderful free sit-down Thanksgiving dinner. They also provide haircuts, blankets, clothing, hygiene kits and a children's carnival.

If you are in town for Thanksgiving, please also consider helping to set up on Wednesday or serve food on Thursday. Check out their website for volunteer opportunities and instructions.
