

We would like to thank everyone in advance for supporting this year's Leprechaun Ball. As an important fundraiser for the school, we hope families will embrace this event and dig deep! Besides buying tables, tickets and attending the Ball, we also have essential underwriting needs to make this Ball the most profitable. Please consider an underwriting donation as a family or as a group of friends. And remember that all underwriting donations are 100% tax deductible. Please help us make this a fabulous and successful Ball for our school and children!
